

☐ SANITARY SEWER PERMIT ☐ STORM SEWER PERMIT

No. \_\_\_\_\_

CITY OF WATERTOWN, NEW YORK

DATE: \_\_\_\_\_

( I ) ( We ) hereby make application to the City of Watertown for sewer lateral work at premises owned by ( me ) ( us ) at:

The following work is to be done under the direction of the City Engineer and /or Superintendent of Public Works, for which ( I ) ( we ) agree to pay actual cost as billed for the material, equipment and labor required; including replacement of any pavement, curb, sidewalk, and/or any other structures as may be necessary.

And ( I ) ( we ) further agree to notify the Inspector of Plumbing of the City of Watertown and the Department of Engineering when the sewer from the building is connected and/or disconnected to and/or from said lateral and before the sewer is covered up, so as to permit examination of the same, and comply with the requirements concerning the same.

( I ) ( We ) also covenant and agree to be bound by all rules, regulations and penalties prescribed by the City of Watertown.
